

ROBERTS & COMPANY  
115 HUMPHREY  
GREENWOOD, MISSISSIPPI

Dear Robert:

Not in the files, yet, & recently noticed: Barnwell District  
Book N, pages 192,3,4 1821, 14th December Deed of Gift  
From Wm. Campbell, to d-in-1, Eliz. Campbell  
Affidavit By: Wm. H. Robert  
Signed by: Geo. Leigh, Jacob C. Kittles, & Wm. H. R.  
Plat Shows: Back Swamp of Savannah River, by John Allen  
Land Adjoining: Wm. H. Roberts, Miss Mary E.  
Robert, Wm. White, & Wm. Campbell 400 A.  
Wm. Campbell's dau: Mary Fullerton mentioned

Please advise if you desire a p-c of these.

In this stack, I have a St. Helena, La. Release-Sale of his interest  
in 5 tracks of land, Barnwell, to Richard Creech Roberts, from Steph.  
Roberts, Jr. b 1789 (Dist Surv.). Steph. says bro, but it seems  $\frac{1}{2}$  bro.  
Sarah Grymes was 1st, do not know name of 2nd, Eliz. Campbell 3rd.

Richard Creech R. m Eliz. Campbell, dau of Eliz \_\_\_\_\_ Campbell & ?.

It is just another Robert - Stephen Roberts connection. I think Wm.  
was Stephen R. father, although in Barnwell he is noted as: Jun.

Elsewhere, is a note re Baptz. of Stephen R., son of Wm. & Eliz. Roberts,  
1756, St James Parish.

Jacques Robert: Pr. George Parish - Craven  
Prior to 1732, A Track A. Unknown, at present  
Originally Owned by Ralph Izard. RMC Record not found.  
16 Feb. 1731/2 1050 A Wadbacon Creek, adjoining above  
Col. Plats 3:245  
15 Oct. 1735 310 A. Apparently, adjoining 2nd  
Col. Plats 2:516, Returned 28 Nov. 1737

With the 2-500 A on up on the Pee Dee, & 1-2-3 Tracks just above the  
Santee R., this seems to make at least 7 N. of Santee, plus the ones  
S. of Santee. I'm sure 1-2 were just purchases for re-sale, but this  
makes him a very large Land Owner, to me. There may be others!

Regards,
