My -  
Esteemed cousin Robert -

on receipt of a post re FF of SC and sleepless this AM,  
I am moved to respond quickly. Our data filial and money  
will arrive under separate cover. Please, at your earliest  
convenience, answer what you are able, to wit:

① Was not Pierre from St Emilion, France?

② <sup>my father</sup> Curtis Dear Robert (15 July 1922 - ) was out of  
Alexander Campbell Robert I who was the only male surviving  
child out of Shaddens Robert (of Rapides Parish, LA). ±1812-90  
Doesn't this make interesting data? I am ACR III (14 NOV 1948-)  
and sonless and my brother CDR Jr (21 JULY 1953-)  
is childless, the botton line being this: Is "ROBERT" at  
a dangerous juncture vis-a-vis no continuity at the  
present? We have a cousin, Samuel Robert (±1954-)  
who lives in Odessa, Texas, and have always feared  
he was not testate Robert. I'll check out his data.

③ where you trace Pierre Robert from France to Papla,  
could you do this for Shaddens - Alec - Curtis - Alex III?  
Bless you if you can do this. †

④ My small country ranch is named EL PASTOR.  
all my life buddies have nick-named me "Preacher." I  
almost entered the Priesthood @ ±1967-69. Recapitulation?
