ROBERT

Dear Robert,

Thank you so much for signing my application for membership in Huguenot Society. I did apply 10 years ago, but never heard anything from the Society - so I'm doing it again.

Thank you also for sending the sponsor's card for First Families, I will use it for someone. As you know, I am a member.

Yes, we will encourage people on the Jon. Robert Family Trip to go by the Clown Shop.

I am writing on the back of a page from a 2004 SC Historical Magazine because I want to know where the Stony Creek Presbyterian Chapel is: Is it near Stony Creek Cemetery? Nice picture of Cotton Hall Plantation.

In Tom Lawton's book on page 68 "Indianland" is referred to, is this a place or an area?

Did Jacques Robert live in Orange Quarter at one time? In July I saw the Orange Quarter Huguenot cross off of highway 41.

Is Jacques de B. Robert buried at Stony Creek when and why were they there?

Was the epitaph to Sarah Judon put up in the Robert Cemetery at the same time that the Jacques de B. Robert stone was placed?

Where was Transpines that is referred to as the place that Sarah R. Lawton <sup>deed</sup> that is, other than the summer refuge from Mulberry Grove? Is the present Pinelands owned by the Savannah Adlers the Mulberry Grove site?

Too many questions! The cleaning of the Robert Cemetery is taking place under Lawton's direction. Thank you for working on the Family Circle <sup>look ups</sup> LOVE TO YOU + CORA - SUSAN
