OVER

October 12, 2005

Dear President Corrigan,

I am writing on behalf of members of the Pierre Robert family. We are requesting confirmation that permission was granted to the Pierre Robert descendants several years ago to place a stone marker to Pierre Robert, Sr. and to Pierre Robert, Jr. next to the Huguenot Cross at French Santee.

Although family member Jack Boineau got permission to put the marker there we never followed through on the project. We have the funding for the marker and for the installation. Jack Boineau is prepared to get the work done.

We are especially anxious to have the marker placed before the Jan. 16, 2006 visit to the French Santee site by twenty members of the Robert family.

Therefore, we ask that permission be considered and restated at the Oct. 24, 2005 Board Meeting of the Society.

Thank you very much for this consideration.

Sincerely,  
Susan Lawton Daugherty

Dear Robert,

This is the letter I have now sent  
to Pres. Corrigan. Hope I got it right

ROBERT

Mrs. Susan L. Daugherty  
1959 Overbrooke Way  
Austell, GA 30106-1130

Dear Mrs. Daugherty:

I received your letter and the letter from the Rev. Dr. Peoples regarding a memorial to Pierre Robert, Sr. and Pierre Robert, Jr. on the property of the Huguenot Society at the French Santee.

Extensive research was undertaken to determine whether such an issue was ever discussed by the Board and we were unable to find any mention in the minutes or other records.

I did present the request to the place such a marker at French Santee to the Board at the October 24, 2005 Board meeting. I must report that the Board thought this would set a precedent for numerous requests in the future for markers on all the cross sites. It was the Board's decision to deny the request with regret.

Thank you for your interest and I sincerely hope that an appropriate location is found for a memorial to the Roberts.

With kind regards, I am

Yours very truly,

Eugene P. Corrigan, III
