The Rev. Mrs. Robert E H Peoples.
Folly field
Hilton Head, SC.

Dear Cousins:

I am looking forward to seeing you Aug 26-27, and have sent in reservations to the hotel directly.

My party of three will attend the dinner Sat. the 26th - the unveiling and dedication of the marker the 27th - and wish to take the trip to Medway after the ceremonies. Since a cousin is coming from Spartanburg, we will probably have transportation to Medway unless he finds it impossible at the last moment to come. At any rate we want to see Medway.

The party of three includes beside myself - two women from Asheville, Misses Sandra and Katie

Howell - who have asked me
to send in their reservations
along with mine.

Sincerely,

Mary A. Tennent

We will during our stay view
the portrait of the Second Fardgrave,
at the South Carolina Historical
Society. Incidentally I have a
copy of Harper's Magazine 1875 which
carries a picture (copied from a
painting) entitled "The little Englishman".
