Dear Robert-

Catherine is supposed to send you the  
original of the enclosed list of names of her  
family for the Gov. Thos. Smith Memorial List,  
tomorrow (Friday) together with her check.

Just in case she does not get it to you  
before you leave for Charleston and Columbia  
(what with the holiday coming up Monday, etc.)  
I told her I would send you this carbon copy,  
today. I mailed you my own list earlier today  
I'm not sure just when you said you were going  
to Charleston but think you said in a few days.

*Why you fail to  
receive it please phone me.*

*Hope this is not  
too confusing! Cath's in a turmoil today.*

*Eleanor*
