

The Society of First Families of South Carolina, 1570-1700 MRS. HAROLD A. MOORE, President

307 Stono Drive
Charleston, S.C. 29412

September, 1980

Dear Member:

I have wanted to write to you for some time to let you know how happy I am that you are a member of The Society of First Families of South Carclina 1670-1700, and also to let you know how much I have enjoyed my association with you. It has been a pleasure writing to each mew member as he or she became a member, and to thank you for the many pleasant letters I have received from you since you joined The Society.

During the past four years The Society has accomplished much. Two Historical Markers have been eredted and are beautiful and many people have congratulated the Society on erecting these markers. My thanks go to the Historical Marker Committee for this work. The first marker was placed on Bull's Island near the site of the landing of the ship Carolina on the shores of South Carolina. This marker was placed within the Cape Romain Refuge of the United States Rish and Wildlife Sarvice. The second marker, in memory of Dr. Henry Woodward, was erected on the shores of the Ashley River in Maznolia Gardens in a beautiful setting where many tourists will see and admire it. We have had four delightful luncheon meetings and very excellent speakers.

The Society has had designed pins in gold and blue for the members at the low price of \$7.00 each, and also a hot plate tile with the Society's logo painted on it. These tiles are offered for sale at the General Assembly for \$3.50 each.

The enrollment of The Society now stands at 275, and I am enclosing a member-ship card in this letter so that you will be able to propose a new member during this last year of my administration. As the President's Project has been completed within the first year of this term, I am asking each member to present a candidate for membership during this year - that would be wonderful!

This is a reminder to the members of the Council that the meeting will be held on the 11th of October, 1980 at the Downtown Holiday Inn here in Charleston, This will be an important meeting and I hope each Council member will plan to attend. Also the members of the Nominating Committee will meet at the same time.

The annual General Assembly will be held in the Colony House here in Charleston on the 25th of April, 1981. The Hospitality Committee and the Program Committee are planning a very enjoyable meeting. Please remember this date and plan to attend.

Expressing my appreciation to each member for his or her support of The Society, and looking forward to seeing you at the General Assembly in 1981.

Enc.

Sincerely,

Con wird Moore

RULES FOR PREPARING LINEAGE PAPERS

Both Papers to be returned to Registrar

- 1. Use full name of all persons. Give, if possible, place and date of birth, death and marriage of each ancestor in line of descent, with proof of same, beginning with yourself.
- 2. Give no approximate dates. Where the only definite dates known are those of wills, deeds or similar documents, give those dates in full. For instance, when the date of death is known only through a will, erase "died" and write "will dated" and "will probated," with dates for both.
- 3. When exact dates of birth and marriage are unobtainable, the facts of marriage and that the ancestor in question is the child of this marriage must be proven. This may be done by wills, deeds or other authentic records.
- 4. When reference is to family Bibles, certified transcripts or photocopies of all the records in each Bible cited must accompany the papers.
- 5. If reference is made to family records other than Bibles, certified or photocopies of these must be sent.
- 6. Photocopies of Church, town, county or other public records to which reference is made must accompany papers, and location, volume and page must be noted in every case. This applies both to published and unpublished material.
- 7. All published authorities must be accurately given with title, number and page of volume. Full transcripts must be furnished of all items quoted.
- 8. When portions of printed family genealogies are submitted as proof, photocopies of pertinent pages and title page MUST be submitted.
- 9. Lineage papers MUST be typed (no carbons). Write only on one side of any extra sheets submitted as evidence.
- 10. The Society will return one copy of the paper, when passed by the Genealogist, but not evidence.
- 11. The Genealogist reserves the right to judge as to the reliability of county and family histories and genealogies and of any parts thereof.
