# TERRELLS & DESCENDENTS TO GATHER IN CALIFORNIA IN 1984

The Terrell Society of America, Inc. has its third annual reunion scheduled for the Third Saturday in July 1986 at the LDS (Mormon) churchyard on Hwy 147 1/4 mile from Clear Creek, CA [106 miles Northwest of Reno NVI. This will be an all day affair with a covered dish lunch.

This reunion is open to all who bear the Terrell surname in any of its many variations including, but not limited to: Terel, Terral, Terrel, Tirrel, Turrell, and Tyrrell.

An invitation is also extended to all who descended from or may have descended from the Terrells/Tyrrells who migrated to the USA from England, Ireland, or elseware in Europe.

MYTHOLOGY: Many years ago, Ralf (fourth son of Walter I, Count of Vexin and Amiens) had a castle near the village of TIREL on the Seine River a short distance below Paris France. He is credited as being first to use the surname, and was known as Sire of Tirel and Poix, Viscount of Amiens. His descendents are credited with taking the surname to England. The village in France is now known as Triel, a transpostion of 2 letters.

HISTORY: In England, the name became Tyrrell and spread from there to

Ireland. In addition, at least 3 Tyrrell brothers migrated to the USA prior to the Revolutionary war and settled in VA and N C. A branch also settled in New England, but researchers cannot agree on whether this was a descendent of the 3, or enother Tyrrell.

Once in the United States, the Tyrrell family quickly under went a lot of variations in spelling. This was due to a small percentage of the populus being able to read and write. Those who kept records spelled the names like they sounded. The name even appears as McTerrell in some records.

PRESENT: The Terrell Society of America, Inc. was formed May 19, 1984 at the first annual reunion of the descendents of John and Marian Terrel(1), late of Henry County, GA. Incorporation was completed as a non-profit genealogical organization in Georgia on 12/31/1985. Membership is not limited to descendents of John and Marian, but we welcome all our cousins who share our English/European ancestry regardless of present spelling of the name or from which of the immigrants they descended.

The Terrell Society of America, Inc. is dedicated to locating, storing, and spreading information on the various Terrell lines in this country. In addition to a quarterly publication Terreli Trails which goes out to all members in an 3 1/2 × 11 format predrilled for 3 ring binder storage; plans call for a library/archive of Terrell information under the name of TERRELL COLLECTION, USA. The Society is supported by free will donations, but does have minimum requirements for receiving a copy of Terrell Trails.

For more information on the above reunion and/or the Terrell Society of America, Inc., send a long, stamped, self-addressed envelope to: Dan Brinson, Secretary/Editor; Terrell Society of America, Inc.; P O Box 1354; Douglasville, GA 30133.

Make your plans to join us today!

#### Dear Terrell Descendent,

Unless you are one of those whose address we obtained since June 1985, this is at least your second invitation to join the Terrell Society of America, Inc. [Incorporation was completed 12/31/1985]

Due to the fact that the originators of the Society are descendents of John and Marian Terrel late of Henry County, GA; you may have mistakenly assumed that the information would be limited to descendents of that family with only occasional information about your line if different. That assumption is incorrect. In 1985, less than half the information appearing in Terrell Trails was applicable only to that line. We had an index of over 1100 names with surnames ranging from Adams to Zinn.

Due to the fact that our major recruiting drive is during announcement of our annual reunion, you may have assumed that the Society is a social organization for those who are able to travel around the country to reunions. This is also incorrect. The Society's primary objectives are to collect, store, and spread information on the Terrell surname regardless of the variation in spelling.

Every ethnic group in this country has organizations dedicated to preserving information on the heritage and culture of that group---EXCEPT THE CAUCASIAN CHRISTIANS FROM EUROPE WHO CARVED THIS COUNTRY OUT OF THE WILDERNESS IN THE FIRST PLACE! Unless this information is collected and preserved, your cultural heritage will be lost to your descendents. They will have nowhere to turn to look for information about their origins, their ancestors, the accomplishments and hardships suffered by their ancestors, etc. The Society's primary purpose is to preserve that information and to keep it available.

I find in hard to believe that you would allow the minimum annual donation of less than \$10.00 [\$7.00 or \$9.00 in 1986, depending upon your age] to prevent you from taking part in preserving your cultural heritage for your descendnts.

Application & reunion information enclosed. SEE OVER FOR SAMPLE PAGE FROM Terrell Trails.

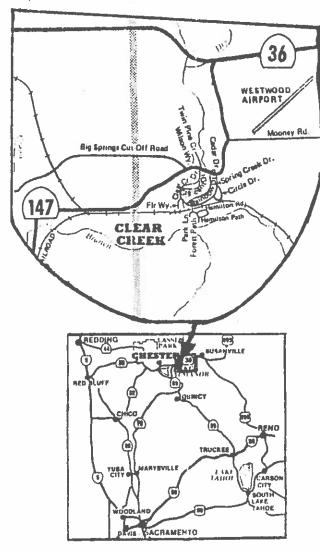

Sincerely,

Dan Brinson Servant of All Secretary, Terrell Scoiety of American, Inc.

## Sister Organization in England

You will probably be surprised to learn that we have a sister organization in England that has been in existence for several years.

It is called the TYRRELL FAMILY HISTO-RY SOCIETY. The USA correspondent is our own member, Mrs. Martha Tyndall, 4704 Waverly Lane, Jacksonville, FL 32210.

They also publish a quarterly newsletter and we are told that about every other issue contains some information on the 'Cousins in America.' The few copied sections that Mrs. Tyndall has shared with your editor are quite interesting and informative.

In our last issue under this heading, we reported about the 'Rufus Stone' in England. You may also be surprised to learn that the Tyrrell Family History Society has a 'Tyrrell Day' at the Sir Walter Tyrrell Hotel in New Forest. The Dec. 1979 issue, Vol 2 #4 carried a photo of about 100-150 people gathered at the stone with the Chairman holding the TYRRELL OF HERON crest in front center. That year it was held on September 15.

Their application is priced in English Pounds, but Mrs. Tyndall suggests sending \$15.00 US rather than trying to find a current conversion. This is slightly more than the required minimum, but like us, they can use it for a good cause. International money orders are available at the post office. Those of you who are interested knowing about our English history and/ or where descendents are located around the world are invited to send a long self-addressed stamped envelope to Mrs. Tyndall at the above address.

CHARTERED: APRIL 23, 1889 INCORPORATED: MARCH 15, 1982

Rev. Dr. Robert E. H. Peeples 8 Moon Shell Road Hilton Head Island, SC 29928

Dear Rev. Peeples:

In reply to your letter of the 26th our research work on Thomas Ferrel of South Carolina has been accepted for publication in the summer issue of The SAR Magazine which will be mailed probably in August.

Enclosed is a copy of the program for a memorial service for Thomas Ferrel held at his graveside on Veterans Day 1983. The program was presented as scheduled except that Congressman Taylor failed to appear due to the failure of Congress to adjourn on time.

In our research we identified only one child of Thomas, his son William, and I have some information on him. His other children are unknown to me, but he had several as shown in the 1790 census for Chester Co., SC. He had 5 sons and a daughter in that census. Maybe this daughter merried Coleman Hilam; I don't know. I know that Thomas Ferrel left SC about 1795 and moved into the Northwest Territory where his son William was born ca 1796. In 1801 Thomas was a resident taxpayer in Youngstown, Ohio Territory.

In the 1790 census only one Thomas Ferrel is found in the entire United States, and he is listed as Thomas Farrel, p. 15, Chester Co. I obtained proof of his military service during the American Revolution from the SC Dept. of Archives & History, P. O. Box 11669, Columbia 29211. No one has ever claimed Thomas as their Revolutionary ancestor in either the DAR or the SAR. I hope Mrs. Peeples can be the first.

I do professional genealogy but not in SC because of the distance. If you need help, I could put you in touch with a competent genealogist who works in SC.

Good luck!

Sincerely and patriotically,

Robert G. Tucker, Ph. D., CGRS, Secy.

#### SOME KNOWN DESCENDENTS OF JOHN AND MARIAN TERREL

John Terrel was probably born in Virginia, ca 1770-1730; he was probable brother of Edmund Terrel who may have been the Edmon Terrel who married Nancy Grant in Pike County, GA 12-30-1830 and/or Lucy Wade in Henry County, GA 01-01-1835. The foregoing is as yet unproven. It is known that he married Marian (pronounced Mary Ann) whose maiden name remains undeveloped either in Virginia, Georgia, or enroute between by the 1890's. He made his will in Henry County, GA December 1, 1828 and

it was proven in the Inferior Court March 2, 1329. Marian was born ca 1770-1780 (1830 census).
