Dear Rev. Peoples,

By calling a Jison name in the Atlanta telephone book I was directed to Gina Jison Pope. She was very kind but could not find her papers about the Jison family. She gave me your name. Information found your telephone number for me.

Someone at your number (I assume your wife) was most gracious in advising me in the best way to get geneology information that you may have on the Jison family.

In my search I have had very little luck with this family. My mother, Lora Alice Jison died in 1957, and now there are no older family members to help. The court house of Worth County, Georgia burned two times, therefore no records.

If you can add anything, it will be gratefully appreciated. I think the family came to Georgia from South Carolina but I have no proof.

This is all I have:

- my grand father was William Woodruff Jison II
born: 11 March 1863

- his father was: Sheopilus William(s) Jison
born: 15 December 1834

- whose father was William Woodruff Jison
born about 1803

- whose father might have been: Moses W. Jison

- " " " " " John Robert Jison

I will gladly pay any expenses you might incur for copies, etc, to share with me. Thank you.

Sincerely,
Jacqueline (Jackie) Bryan Perrin
